O R D E R

Jonathan Creek Water Association, Inc. ("Jonathan Creek") has requested a deviation from Commission Regulation 807 KAR 5:066, Section 16(1), concerning the testing of large meters. Additional information is needed for an adequate and proper consideration of the deviation requested by Jonathan Creek.

IT IS ORDERED that Jonathan Creek shall file the original and 12 copies of the following information with the Commission no later than September 1, 1992, with a copy to all parties of record. Jonathan Creek shall furnish with each response the name of the witness who will be available for responding to questions concerning each item of information should a public hearing be required in this matter.

1. Explain exactly how Jonathan Creek proposes to test its large meter different from the regulations.
2. Provide the basis for requesting the deviation.
3. Provide information concerning type, size, brand, number, and exact location of the meters which would be covered by the proposed deviation.

4. State the purpose of the meters (e.g. billing customer usage, plant usage, water produced, etc.) which would be covered by the proposed deviation.

5. If the meters covered by the proposed deviation are used for billing purposes, provide the customer usage and charges for the last 2 years on a monthly basis.

6. Provide the date when the affected meters were installed, the date of the last test, what tests were performed, and the results.

Done at Frankfort, Kentucky, this 20th day of August, 1992.
